SPENCERLAB DIGITAL COLOR LABORATORY PROMOTES YUTAK KWOK
Yutak Kwok Appointed Information Technology Engineer

Melville, NY, 01 July 2010 — Catherine Fiasconaro, director of the *SpencerLab* Digital Color Laboratory is pleased to announce the promotion of Yutak Kwok to the position of Information Technology Engineer, effective immediately.

Yutak began his contributions to the *SpencerLab* team in 2007 as a junior color engineer, contributing his proficiency in analyzing both color and monochrome Print Quality in digital ink/toner as well as conventional printing technologies. While adding Throughput Performance and Yield/Cost-per-Print test expertise to his repertoire, Yutak demonstrated his increasing knowledge of the IT disciplines, taking on a variety of IT tasks including server management and administration, network and computing infrastructure, system performance evaluations, technical support and troubleshooting.

“...Yutak maintains the momentum of the dynamic changes occurring within the technology industry, keeping *SpencerLab* IT at state of the art.”

– David R. Spencer, president

“Continuously incorporating the latest technological methods and concepts within our IT infrastructure and testing environments,” noted president David Spencer, “Yutak maintains the momentum of the dynamic changes occurring within the technology industry, keeping *SpencerLab* IT at state of the art.”

Yutak earned an A+ Certification and a BS in Imaging and Photographic Technology with a concentration in Color Management from the Rochester Institute of Technology.

ABOUT THE SPENCERLAB DIGITAL COLOR LABORATORY

Since 1989, Spencer & Associates Publishing, Ltd. has earned an international reputation for its expertise in Color Print Quality and Consumable Yield. The *SpencerLab* Digital Color Laboratory, its independent test division, is recognized as a leader in unbiased, third-party digital color printing performance evaluation. *SpencerLab* performs independent competitive test and analyses for key firms in the industry, also providing comparisons of Throughput Speed, Usability benchmarking, and CLT Focus Group management for a wide variety of printing technologies and market segments. *SpencerLab* provides leadership in quantitative and qualitative comparisons – test and evaluation services, compliance certifications, and industry standard test software/hardware.
