

# SpencerLab/Reseller Customized Printer Test Suite

Make that Sale Yours!

It is a competitive world, and your customers demand performance and results from you - ***the solutions provider.***

Selected files, from the industry renown *SpencerLab* Printer Test Suite, are created with **YOUR COMPANY NAME** embedded in the file - so your customer knows YOU CARE.

A customized suite allows you to advertise your business and put your name into the hands of those making printer and consumable purchases - those who care about quality, competition and getting the best fit for their printing needs.

These specially developed test files are designed to demonstrate printer strengths and limitations, in areas such as:

- Color and Monochrome
- Text Rendition
- Line Rendition, including Fills, Strokes, & Line Art
- Registration
- Tints and Blend Reproduction
- Image Quality

"The *SpencerLab/Reseller* Customized Printer Test Suite is a *must-have* tool for every reseller."

Contact *SpencerLab* today and find out how customized industry-standard test files can help your business **GROW!**
